Projects Update: The new mechanic, Chuck Garvey started last Monday, December 15; Steve Bertram has been working with Dave Bockhop on STH 151 getting familiar with the road. We finished snow fencing, and we had a crew insulating the shop in Shullsburg. The heating and concrete work are both done in that building. We purchased some different patch material from Wolf Paving in Sun Prairie, so we will see how that works for potholes. We ordered 800 tons of salt last week for the county.

Equipment Update: we need to bid a new truck with snow attachments in January 2015 to receive it before the next winter; we had a major repair on truck #184 with a cracked head.

The January meetings were scheduled for Thursdays, January 8 and 22, 2015 at 8:00 a.m.

Motion by Bartels, second by Heimann to adjourn the meeting, motion carried.
